Special Notes:

1. 0-Level courses do not count toward graduation credits and they do not transfer. HD courses will not transfer.
2. Transfer students receive credit for courses equivalent to Wilson courses as determined by the College Registrar. Academic work completed with a C or better will be considered for transfer. Wilson uses course credits as opposed to semester credit hours. Therefore, a three semester-hour course will equal one Wilson course credit. You may transfer up to 22 course credits toward a Baccalaureate Degree.
3. This checksheet was developed with agreement between Wilson College and HACC.
4. Minimum GPA: 2.0
