Holiday Breakfast

On December 14, the Lancaster campus enjoyed a festive breakfast as well as shared in the spirit of giving to others by donating toys and items to the Latino Vision Association. It was a great time to celebrate the season.

Dr. Washington gives his holiday remarks. **Jackie Bareuther** waits to give out the United Way parking spaces.

Faculty and Staff share in good conversation

Ricole Jayman, Laura May, Vicki Van Hise and Patricia Bright enjoy the breakfast

Message from Dr. Washington

Happy New Year!!

The Spring 2013 semester is off to an amazing start. The current campus enrollment numbers are 93.43% of budget with a total enrollment of 4282 students as of 1/15/13.

As we look to the future we must collectively focus our attention and ability to addressing assessment and the relationship to quality improvement in all areas. Jeb Baxter, Interim Provost and Vice President of Academic Affairs is leading efforts that we all must avail ourselves to document and demonstrate our use of assessment to meet Middle States accreditation standards.

Top Ten ways to enjoy Spring 2012 semester

1. **Get to know three students who you have not known before and assist them with completing the semester**
2. **Keep your attitude positive . . . actively participate in committee work**
3. **Focus on the new birth of the year express new ideas**
4. **Get to know an employee from a different campus**
5. **Send Dr. Washington a new “Bright Idea”**
6. **Attend an upcoming HACC student life event**
7. **Take a walk around campus and enjoy the great outdoors**
8. **Make someone’s day with a kind word or gesture**
9. **Nominate an employee for a “Standing Ovation” award**
10. **Make a donation to the HACC Foundation to support a future student**

Best wishes for a successful semester!

Dr. Washington is seeking members for the Wellness Committee

The Lancaster Campus Wellness Committee needs new members. Please consider joining this worthwhile committee.

The commitment will be minimal:

- Requires bi-monthly meetings
- Occasional local initiatives such as
 - Health fair
 - March for Babies
 - Cancer Screenings
 - Flu shots

Please express your interest to become a member of this committee to Dr. Washington or Cindy Lucarelli.

Thank you.

EMERGENCY/INCLEMENT WEATHER ANNOUNCEMENT

When inclement weather hits, faculty & staff can call 358-2969 to hear a message from Dr. Washington. We will either be closed or delayed. (A delayed schedule for staff means that you report at 9:30 AM).

You can get a text message sent to you by using e2campus alerts. Sign up for this service on the main HACC webpage. At the top right of the page you will see a red link that says e2Campus with a little picture of a phone.

A delayed schedule or closing will also be announced on local radio and TV stations.

Changes coming to Office for Disability Services – Testing!

Disability Services testing has relocated to its new home in Main 327, along with KEYS and Veteran's Affairs. This means that special needs proctoring or BLUE SHEETS are being proctored in Main 327.

Donna Doerschuk, ODS Proctor, is now working in Main 327 Monday through Thursday. **Bob Ulmer** ODS Proctor is working in Main 327 on Fridays.

As change is often a chain reaction, we have taken the time to update the BLUE SHEET Test Request Form. One of the changes is a reminder to students to schedule their exams with accommodations on the same day as the class is taking the exam.

Another change is asking faculty to no longer put exams in Bob Ulmer's East Building Mailbox. This was once a convenience for ODS when Bob managed most of the testing for ODS. However the bulk of that has shifted to Donna Doerschuk and has been this way for several years. Now that we are re-locating upstairs Donna does not have the ability to leave proctoring to locate exams left in the East Building. We are asking faculty to please utilize the very speedy and efficient campus mail system. Ron Bekendorf is far quicker and more reliable in delivering campus mail. When using campus mail please address the exam to RM 212 Donna Doerschuk/Bob Ulmer. Faculty also have the option of emailing the exams to Donna directly at djdoersc@hacc.edu or to myself at vlvanhis@hacc.edu.

We realize this shift in relocating testing will take time for Students and Faculty to be come comfortable. However the space far better serves our students in a way that we could not when located within the testing center.

We invite you come by and take a look at our new setting to see our wonderful new space for yourself!

Academic Affairs

- * For the first time at the HACC Lancaster Campus, there will be a GED preparation class offered on-campus during the spring semester starting in late January. **Ricole Jayman** will be participating in the program by providing instruction in college readiness skills. We are doing this in partnership with the Literacy Council of Lancaster-Lebanon, who we are also continuing to work with in offering a Math Readiness workshop. In addition to the GED and math readiness projects with the Literacy Council, we are also discussing a possible readiness program for ESL students.
- * HACC Lancaster continues to work with the Spanish American Civic Association on its Tec Centro project in the city. HACC has been named the primary education provider for this project, which includes basic skills training in Spanish in a number of occupational areas as well as credit study opportunities.
- * One of our own Lancaster faculty members has been chosen as a 2013 recipient of a NISOD Excellence in Teaching Award. Congratulations to **Cindy Muth**, Assistant Professor, Mathematics, for earning this honor.
- * We want to recognize the Lancaster HACC Evening Associate Degree Nursing Program for recently earning the Jay and Maggie Kiralfy Community Service Award in recognition of the tremendous efforts and advocacy on behalf of those experiencing homelessness. HACC evening NURS 205 and 206 students have been doing clinical rotations at the Transitional Living Center in downtown Lancaster. Congratulations to **Christine Bachman**, Assistant Professor of Nursing and **Sherry Lookofsky**, Adjunct Nursing Clinical Faculty, for their leadership of this project.
- * We have some new additions since the beginning of the fall semester within Lancaster Academic Affairs to share. On the faculty side: **Rebecca Shoener** has been named the Program Director for the Radiologic Technology programs at HACC. **Sara Crill** has been named a Director of Clinical Education for the Radiologic Technology programs. **Kristy Werkheiser** (formerly Schultz) has been named the Program Director of the Cardiovascular Technology programs at HACC. **Stephany Yoder** has been named a Director of Clinical Education for the Invasive Cardiovascular Technology program. On the staff side, we have announcements from the Lancaster Library. During the fall semester, **Melissa Farr** was named to fill the FT Library Technician position opened with the retirement of Janice Hackman. More recently, **Tom Worthington** was hired to fill the open PT Library Technician position.
- * A special thank you to **Jim Bath**, Physical Education, who came in the week before spring classes started to do an in-depth cleaning of the PE room in East. Our Facilities Department cleans the room regularly already, but Jim went the extra mile to disinfect and wipe down individual props and pieces of equipment.

LFA Scholarship Fund Raiser

A heart felt THANK YOU to the generous bakers who donated the delicious assortment of cookies /treats for the our cookie fund raiser. So far we have raised over \$465 due to your efforts.

A special thank you to our auction tray bakers **Diane Mumma, Holly King, Leanne Frech and Irma Alicia Villarreal** . The winning bidders were **Peggy Andrews, Lois Schaffer, Dennis Shoemaker and Marian Yoder**.

We want to thank all who volunteered your time to help make this happen. Thank you to all who stopped by and purchased cookies for yourselves, your families and your students.
