# Veterans Day

at HACC's Gettysburg Campus

Please join us in honoring military veterans on Monday, Nov. 12, 2018. Two events are planned: A Flag Replacement Ceremony and a Tree Dedication.

## Flag Replacement Ceremony

Veterans Day will begin with a flag retirement and replacement ceremony. The ceremony will begin at 11:00 a.m. outside of the HUB. This event serves to honor HACC veterans and all veterans and family members in our local community. The new flag was generously donated by *Gettysburg American Legion Post 202*.

## Tree Dedication

A Tree Dedication event will be held after the Flag Replacement Ceremony. *Veterans of Foreign Wars (VFW) Post 15* and *Gettysburg American Legion Post 202* have generously donated toward dedicating a tree on campus. The tree will be named "In Honor of all Veterans Past and Present."

The *Phi Theta Kappa Honor Society (PTK)* will be selling small American flags to place below the tree to honor family and friends who have served.

At the conclusion of the ceremony, we invite you to join us for refreshments in the HUB.

\*In the event of inclement weather, the program will be held in the Robert C. Hoffman Community Room.
