Bridging the Divide Workshop:

How to Talk Across the Political

Divide.

6 October 2020

Tuesday | 6pm

Do you avoid political discussions with friends and family? Do you feel tension when others share their views on hot topics? Do you want to learn how to respectfully communicate with individuals from various viewpoints?

Join in this amazing virtual event that will help prepare you to engage in respectful conversations and become educated to cast your vote in the general election in November. Presented by the non-partisan group, Braver Angels, a group that strives to enhance productive conversation to help foster communication, rather than continue to divide Americans.
