*\*In order for students to receive equivalent credit at YCP for PSYC 241 & PSYC 242, both courses must be completed with a grade C or higher prior to transfer.*

*\*\*The YCP requirement of PSY110 will be waived at the student's request by speaking with the psychology advisor at York College.*

*\*\*\*Students have the option of taking a "credit by examination" for a small fee in lieu of taking the required PSY200 at YCP. Please speak with the psychology advisor at York College on the details of this process.*

**Special Notes:**

1. Courses for YCP have been selected by joint agreement of HACC and YCP. However, curricula are subject to change. It is in your best interest to meet with your advisor and talk to the transfer counselor at YCP if you have any questions about your courses.
2. YCP will accept up to 75 transfer credits from community colleges.
3. Students taking 30+ transferrable credits are exempt from the First Year Seminar (FYS\*) at YCP and granted 3 additional credits of elective. Engl 101 may be used for this elective.
4. Students completing 60 or more transferable credits (C or higher in each course) will be exempt from the YCP Constellation requirement. This exemption requires 12 additional of electives towards Bachelor's Degree at YCP. Students not planning on earning 60 or more transferrable credits should not use this transfer sheet as they will be required to elect a Constellation and will need to plan accordingly.
5. Students are advised to **apply one semester prior** to desired transfer date. Required cumulative transfer GPA is 2.0.
6. 0-Level courses **do not** count toward graduation requirements and **will not transfer**. FS courses will not transfer.
7. In cases where two classes transfer as the same equivalency to YCP, only one may be taken for transfer, i.e GEOG 201 or 230.
