## FROM THE OFFICE OF THE CAMPUS VICE PRESIDENT

Building trust is the foundation of healthy relationships and we have many opportunities to develop this dynamic skill at HACC. **Our students place their trust in us each and every day.** From the first brave phone call to the Welcome Center through their entire educational experience, they count on us to “have their backs” and help them navigate the challenging road to success. Each and every one of you accomplishes this through hard work, humor, and grace—it’s a pleasure to watch you in action!

Trust can be scary because it puts us in a vulnerable place, but it’s **an essential elemental to achieving our goals and having a wholehearted life.** I was recently reminded of a very popular TED talk presented by Dr. Brene Brown. She’s a professor at the University of Houston, Graduate School of Social Work where she conducts research on empathy, authenticity, and courage. She’s also the author of a new book titled *Daring Greatly: How the Courage to Be Vulnerable Transforms the Way We Live, Love, Parent, and Lead*. I would highly recommend that you find 20 minutes to watch Dr. Brene Brown’s presentation on TED. I think you’ll hear, through her work, just **how important human connection is and why we should cultivate it in our lives.**

This month, there are numerous opportunities for connection at HACC. Please come out and support our 3<sup>rd</sup> annual HACC Dash with Dr. Ski and our campus community. We want to top last year’s numbers (of course we do!) and have a great start to a wonderful Mother’s Day. How about celebrating your family’s heritage at our 4<sup>th</sup> annual Heritage Day event? Sign up now to share the food, culture, and music of your people with the college community. **We truly are a melting pot at HACC.** And finally, let me put in a pitch for our month-long campaign for scholarships. There are a number of fun activities planned and all for a great cause—our students! Stay connected, stay involved

At the March forum, Dr. Ski updated the campus on the new scholarship website, Middle States assessments, and plans for enhancing campus security measures.

## HACC YORK CELEBRATES HERITAGE DAY 2013

HACC York's 4<sup>th</sup> Annual Heritage Day program will take place on April 16, 2013 from 10:00 a.m. until 2:00 p.m. in the Cytec Community Room. This popular program celebrates the vast diversity of HACC York's campus community—students, staff, and faculty. **And it's not too late for you to participate!** We're looking for all levels of participation: dancers, singers, writers, readers, poets, cooks, display tables, information tables, food tastings—whatever you would like to do to showcase your own heritage. Everyone on this campus has a unique and interesting heritage to share. Do you make a special dish that represents your culture? Do you have interesting artifacts from your background? Do you know a traditional story? Share it!

Aside from our own campus participation, **this program will feature an extraordinary variety of multicultural food**, henna tattoos, eyebrow threading, an assortment of arts and crafts, and a live performance of "Music Around the World."

If you would like to participate, please contact Sara Shaw at [seshaw@hacc.edu](mailto:seshaw@hacc.edu) or 717-801-3251. And if you can't participate, please consider stopping by Heritage Day and simply enjoying the wonderful culture that exists right here on campus.

## 2012/13 ENROLLMENT UPDATE FROM THE OFFICE OF SECONDARY PARTNERSHIPS, YORK CAMPUS

**College in the High School:** *HACC courses instructed onsite at York County high schools.*

- HACC York was able to award \$13,170 in educational assistance scholarships to students who otherwise would not have the financial means for a college-learning experience for academic year 2012/13.

Following is a letter received from a student at Red Lion Area HS.

*Dear HACC: I wanted to personally thank you for giving me a scholarship. This covers my entire class and I'm so thankful. My grandfather is in hospice and soon we will be paying for a funeral. Thank you so much! Sierra D.*

- HACC York's spring semester was active with 175 total students enrolled for 546 credits. This tops off academic year 2012/13 with 365 total students enrolled for 1146 credits. Participating school districts included Central York, Dover Area, Kennard Dale, Red Lion Area, Northern, William Penn, and York County School of Technology.

**Dual Enrollment:** *High school juniors/seniors enrolled for courses at HACC York.*

- Of special note, 19 dual enrollment students participated in a collaborative effort among school districts, OVR and HACC to complete a "Promoting Academic Success" program. The program enables students with learning disabilities, attention deficit disorder, etc. to experience a college level course and to learn about the academic requirements and demands, to learn how to advocate for accommodations, and to learn about assistive technology that will assist them in their studies.
- Our spring semester yielded 21 students enrolled for 58 credits. This tops off academic year 2012/13 with 50 total students enrolled for 176 credits.

**This academic year, HACC York has provided college level learning experiences to over 400 students!**

## CELEBRATING OUR SUCCESS!

Great job to the York Campus for your participation in the Cancer Prevention Study (CPS3) enrollment held on Friday, February 22, 2013. The results of previous cancer prevention studies have led to much of the knowledge that we have today regarding cancer prevention and treatment. The data from this study will help continue the fight towards a cure. The enrollment was open to staff, students, family and members of the local community between the ages of 30 – 65, who have never been diagnosed with cancer and who were willing to stay in touch with the American Cancer Society to provide updates every 2 – 3 years on their health status. **We had 110 volunteers sign up for the York Campus, the second largest participation college-wide.**

We are off to an awesome start towards reaching South Central Region's Goal of enrolling 1,075 people in CPS-3 in 2013.

## FACILITIES TIDBITS

It's cold outside!!!! Too cold for the pansies that we had thought to have had in the ground by now. We are hoping that early April will be the magic season for these little beauties and will have more information to you as soon as we can on the proposed planting party.

Goodling SGA space...IS DONE!! And it looks gorgeous!!! **Please stop by YG119 to have a look at this newly completed project.**

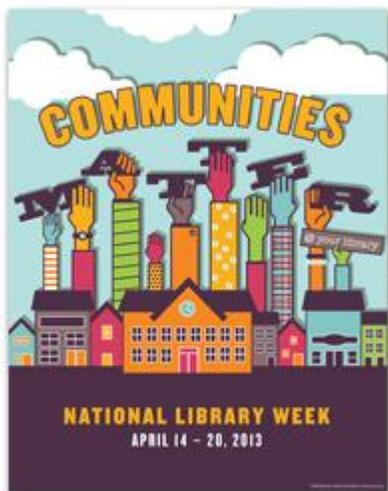

Facilities will be undertaking the re-waxing of the floors in Leader & Cytex over the summer months. Please be prepared for some room closures and alternate routes due to this process.

LED lighting is being added to the perimeter of the Goodling building to improve safety and security. We are in the process of getting prices to upgrade the exterior of the Goodling building, as well as the lighting in the Goodling/Cytex parking lots.

Two new faculty offices will be added to the Goodling faculty bay for the start of the fall semester. They will be located in the old YG101E space, next to the AV closet.

Summer will be here before we know it. Currently Facilities has a listing of all of the plants that Harrisburg has grown for this season. All of these plants have been chosen for their compatibility with our growing season and challenges. If you need some help figuring out what to plant in your home garden and would like to take a look at this list please let Connie know and it will be sent to you.

## LIBRARY NEWS

### Celebrate National Library Week with the York Campus Library! April 14 – 20, 2013

To honor this year's theme, **COMMUNITIES MATTER AT YOUR LIBRARY**, we'd like to ask how the library matters to you, our HACC community! We will also have a trivia contest with prizes throughout the week.

Take our survey! <https://www.surveymonkey.com/s/YorkLibrary>

## 2013 PHI THETA KAPPA INDUCTION

The 50<sup>th</sup> biannual Induction Ceremony of HACC's Alpha Nu Omega Chapter of Phi Theta Kappa was held Sunday March 17, 2013 at the Harrisburg Campus. Phi Theta Kappa is an international community college honor society focusing on scholarship, leadership, service and fellowship. Inductees must have earned a cumulative grade point average of 3.5 or above after earning 12 or more college-level credits. This year, HACC's Alpha Nu Omega Chapter celebrates 25 years in existence. **Sixty-one York Campus students were invited to be inducted this spring** including our own Jill Mitzel and Jackie Becker. Mary Richards, English faculty member, and Connie Ludwig, Foundational Studies faculty member, are the York Campus Phi Theta Kappa advisors.

Our own Jackie Becker is recognized by Dr. Ski! Congratulations, Jackie!

The York campus inductees pose in honor of their accomplishments!

## SCHOLARSHIP FUNDRAISER

This year we will be holding several exciting activities for staff and faculty starting April 8 and running through May 15.

**Dress Down Mondays:** Each Monday will provide the option of regular dress down attire or the theme of the day. They are:

**April 8** – Yoga/Sweatpants Monday

**April 15** – Sports team Monday

**April 22** – Slipper/crazy sock Monday

**April 29** – Hawaiian shirt Monday

**May 6** – Tie Dye Monday

**Balloon pop game:** A thrilling balloon pop game will be held in April, providing wonderful prize surprises!

**Chocolate cook off:** We will have a tasty chocolate cook off at the end of April, where you can display your magnificent cooking/baking talents; all entries will be judged, and the winner will receive an awesome prize! For those of you who aren't inclined to bake/cook, tasting opportunities will abound!

**HACC polo shirt sale:** HACC York polo shirts will be available for order at a low price through the middle of April and will be a great option for dress down days.

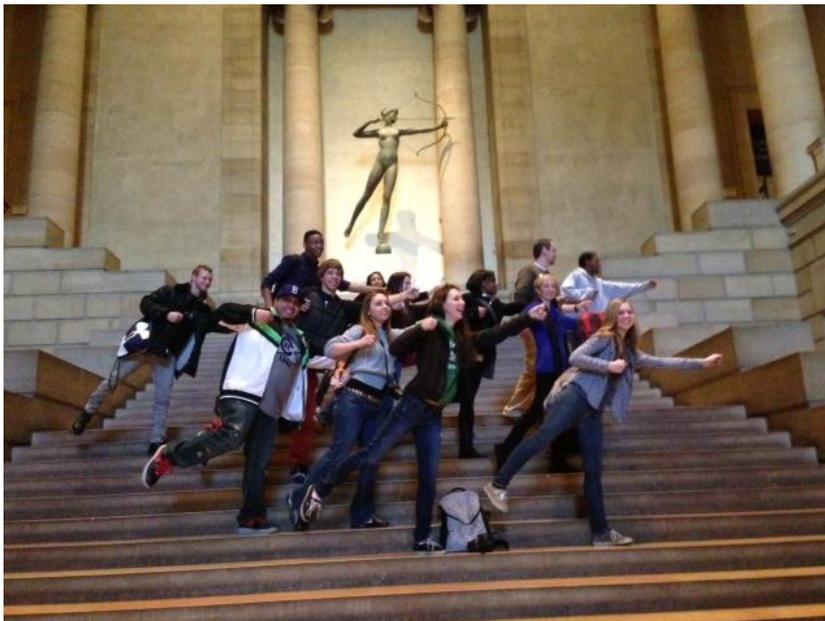

**Luncheon:** All of this will culminate in a Cinco de Mayo luncheon celebration for all staff and faculty in the beginning of May.

Throughout the month, I hope to meet those of you I have not yet met and get to spend more time with everyone I have met. Look for detailed information in your email soon!

Hope Harrison, Campus Development Officer

## YORK CAMPUS ART CLASSES VISIT PHILADELPHIA

On Tuesday, March 19, Associate Academic Dean and adjunct Art instructor, Will Guntrum, led a group of 20+ students on a bus trip to the Philadelphia Museum of Art.
