October / November 2016

Message from the Campus Vice President...

It seems like yesterday we started the Fall 2016 semester and now the holiday season is just around the corner! Thank you for all that you have done and continue to do for our 4,332 Lancaster campus students. Your efforts truly make a difference in their lives and the culture of our campus.

We are pleased to start a new section in the Courier entitled the Community on Campus. This section specifically highlights the community partnerships the Campus is involved with. We have had the opportunity to host several organizations on our campus. They include:

- Lancaster Chamber of Commerce and Industry (LCCI). LCCI held one of their annual business meetings to provide Chamber membership with updates on how they are creating the environment and facilitating partnerships that will impact business success and our County's prosperity. This event brought over 150 of the "who's who" in Lancaster County to our campus.
- Lighten Up Lancaster. Lighten Up Lancaster partnered with HACC to host National Walking Day activities that highlighted our campus fitness trail. This partnership brought many community members to "walk" the campus and visit the fitness stations for health and wellness information.
- South East Lancaster Health Services (SELHS). SELHS had their annual staff retreat in East 203. Over 120 full and part-time staff were on campus, most having never been on a HACC campus!
- Leadership Lancaster (LL). Our campus hosted two events focused on increasing opportunities for people of color on nonprofit boards of directors. Executive Directors, Board Development Chairs from all across the County were invited.
- League of Women Voters (LWV). The LWV hosted their annual candidate's forum for 2016. All candidates running for local office were invited to participate in a panel discussion to build awareness of their positions and proposed initiatives. Fran Rodriguez, president of the LWV and a graduate of our Paralegal program, was the moderator of the event.

THE LANCASTER

I highlight the above as some of the examples of how we give back to the Lancaster community.

By hosting these events, our partners invite their constituents to our beautiful campus, some of whom may never have had an opportunity to come to HACC.

This exposure enhances our presence in the community, and hopefully will positively impact how they think and talk about HACC in their respective circles.

If you are aware of a business, community-based organization or educational institution that may need space for an event or meeting, please let me know and we will be glad to work with them.

Thank you, again, for all that you do for HACC.

PS – I hope to see you all at our holiday party on Dec. 21, 2016!!!

Career Services

Health Careers Event - Alternate Pathways Major and Career Options for Nursing

Have you heard from some of your students who are looking at other possible careers besides Nursing, but want to stay in the health field? How about your students who have most or all of their general education courses done for Nursing, but are unsure as to what they want to do next? If yes, we invite your students to join us for a **workshop on discovering alternate majors and careers for Nursing**. We will review degrees where a majority of their general education courses can be applied from the Nursing major and discuss career pathways related to similar professions.

Information on degree programs that can be completed at HACC will be featured including other health career programs and majors in the helping professions such as psychology, elementary education, etc.

Besides giving students the chance to gather information, a portion of the workshop will include a panel of instructors and professionals in the featured areas.

Note change in date – This workshop will now be offered twice on:

Tuesday, Nov. 15, 2016

Noon - 1:30 pm

6 - 7:30 pm

Located in the Main building, Room 222.

A light meal will be provided. Watch for additional information in the coming weeks!

Passport to Excellence Program

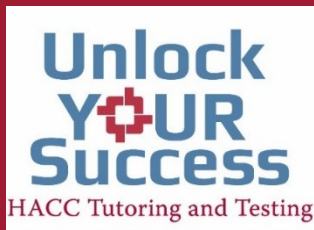

A reminder to faculty that the Passport to Excellence books can be stamped for the Health Careers event listed above, as well as other events that are taking place on campus.

Please remind your students that they can add stickers to their passports up until Dec. 9, 2016.

Tutoring and Testing

Fall and Spring Test Hours:

Mondays and Fridays:
9 a.m. – 4 p.m.

**Tuesdays, Wednesdays,
and Thursdays:**
9 a.m. – 7:30 p.m.

It's not too late! Encourage your students to visit Tutoring & Testing, Main 232 (at the back of the Library), to take advantage of FREE, walk-in tutoring throughout the week, including some evenings and Saturdays. Trained tutors help support over 50 courses each week, including math, English and writing, chemistry, biology, accounting, CIS, and many more. Students can stop in or look online (at www.hacc.edu: click on Current Students, Tutoring, and Lancaster Tutoring) to see the weekly tutoring schedule.

Students can also take advantage of these **FREE** resources:

- Academic Coaching:** This voluntary program is for students who want to improve their academic and self-management skills. Coaches take a personalized approach to help students develop action steps and utilize study strategies and college resources to overcome barriers to their academic success. If you have students who may benefit from coaching, refer them to a Starfish academic coaching referral or direct them to see Lori or Tim in Tutoring & Testing (Main 232).

- HACC Tutoring Services Videos:** For on-demand videos on tips and tricks for succeeding in college, students can check out “How To... Videos from HACC Tutoring Services.” Go to www.hacc.edu – click on Current Students, Tutoring, Lancaster Tutoring, and How To Videos.

- Podcasts:** Students can subscribe to FREE courses presented by HACC faculty through public iTunesU.hacc.edu.

- Anatomy & Physiology Resources:** Weekly BIOL 121 & 122 study groups, anatomy models, microscopes and slides, and 3-D interactive anatomy apps.

Test Information: Make-up testing is available daily on a walk-in basis during normal hours. Please encourage students to check the Lancaster Campus Test Center webpage for any updates to the testing calendar before testing. Students must show a current photo ID. Cell phones/electronic devices and children are NOT permitted in the test center.

Anticipated Fall Test Center Hour Changes:

- Wednesday, Nov. 23: closing at 4 p.m.
- Thursday, Nov. 24 and Friday, Nov. 26: closed
- Saturday, Dec. 24 - Monday, Jan. 2, 2017: closed

United VITA Tax Program - Call for Volunteers

The United Way **VITA Tax Program** offers free tax preparation here on campus for anyone making below \$62,000 per year.

UW VITA is seeking tax preparer volunteers!

HACC's Lancaster Campus is partnering with the Volunteer Income Tax Assistance (VITA) program to offer free tax preparation services for Lancaster County residents with incomes of \$62,000 or under. I am proud that HACC's Lancaster Campus has served our community as a VITA site for the last seven years.

I would like to encourage you to consider joining me as a volunteer this tax season. If you are interested there is some basic information listed below, but there will be an Informational Session next week that will give more details about becoming a volunteer.

Campus Majors Fair

On Wednesday, Sept. 28, 2016 the Lancaster Campus piloted a new program hoping to encourage undecided and general studies students to switch to a more focused major available at the campus.

Research has shown that the longer a student stays in an undecided status the less likely they are to persist and complete a program of study. At a time of uncertain enrollments, we hope the Majors Fair helped us achieve the twin goals of **gaining new majors in campus programs** and **retaining more students**. In the future, other campuses are looking to schedule similar events.

A total of 45 students formally registered and participated in the event. Follow-up with each student will take place during the next few weeks as spring registration heats up to help those students find the right major for them.

From Your Classroom to Ours

On Thursday, Oct. 13, 2016 we sponsored an inaugural countywide conversation, **From Your Classroom to Ours: A Conversation about Preparing Students for Writing Courses in College**. This four-hour session brought together English teachers from 11 Lancaster County high schools with HACC English faculty to review writing curricula at both the high school and college level. Organized by Matthew Goodman, campus academic dean and Lori Corradino, campus director of testing and tutoring, with presentations by English faculty members Seth Martin, Lori McNair, and Hetal Thaker, this event highlighted what college readiness and expectations look like and spurred participants to brainstorm potential partnership opportunities between HACC and Lancaster County high schools.

Fall Open House

HACC's Lancaster Campus hosted an Open House on Wednesday, Oct. 12, 2016.

There were 86 attendees, offering a variety of major cluster panels to promote our various program offerings. Prospective students were able to tour the campus and meet with various departments of interest. FM 97 provided a live radio broadcast from the lawn of our East building to help promote the event.

Thank you to all staff, faculty and student ambassadors who helped make the evening a success!

League of Women Voter's Candidate Forum

The League of Women Voters hosted a Candidate Forum on Thursday, Oct. 20, 2016. Candidate panelists (left to right) were: Robert Bigley (R), Steve Elliott (D), Dale Hamby (D), Charlie Klein (D), Mike Sturla (D), and Greg Paulson (D). Moderator is Fran Rodriguez, esteemed HACC Alumna.

“The League of Women Voters (LWV) of Lancaster County is honored to partner with the Lancaster Campus of HACC in hosting political forums. More importantly, we strive to create ongoing platforms for open dialogue with candidates running for public office, as well as elected officials. We must encourage millennials and all college students to become engaged in local politics. As President of the LWV of Lancaster County, I’m delighted to bring voter awareness & advocacy to my alma mater!”

Diversity Panel

The Lancaster Campus hosted Leadership Lancaster's diversity panel and networking reception on October 27, 2016. The panelists (left to right) were: Adrian Garcia (Lancaster Housing Opportunity Partnership), Willonda McCloud (Brightside Opportunities Center), Dennis Johnson (formerly with PhilHaven), Valdijah Brown (Thaddeus Stevens College of Technology), Chris Ballentine (Case New Holland) and Fran Rodriguez (Lancaster County Community Foundation). The moderator for the evening was Deborah Davis (Penn State Health).

Deb Rohrer, President of Leadership Lancaster had the following to say about the recent Diversity Panel at HACC's Lancaster Campus:

"Leadership Lancaster is pleased to have a strong partnership with HACC's Lancaster Campus. Leadership Lancaster's mission to develop outstanding community leadership to support the needs of Lancaster County is fully embraced by the administration, faculty and students at HACC. We are grateful for their willingness to collaborate with us as we bring our vision to the broader community. Many of our future leaders are starting their journeys at HACC and we are pleased to be their partner. Leadership Lancaster looks forward to continuing this important relationship with one of the area's finest educational institutions."

Nakia Eckert, Lancaster Campus admissions counselor is taking part in the 2016/17 Leadership Lancaster Core Class.

Leadership Lancaster challenges participants from diverse backgrounds to assume effective, more active volunteer roles in addressing community needs.

The Core Class program runs September through May for twelve weeks.

The topics covered include: public education, public policy, economic development, law & justice, arts community, health and human services and a county tour. Skills covered include: consensus and coalition building, inclusion, negotiation, collaboration and team building, trusteeship, visioning, conflict mediation and resolution, facilitation, personal evaluation, and problem solving and decision making.

Student Leadership Training

Dave Wauls, facilitator, addresses a group of HACC students in their second session of student leadership training.

Students Allena McCloud and Hyein Hong work on their assignment question, what is a leader to you?

When asked to give their input on the student leadership training, SGA President George Brown and Vice President Allena McCloud said that the training helped to prepare them for the roles for which they now serve. It also helped them learn critical **skills in leadership, teambuilding, communication and organization**. George added that the training helped teach verbal regulation, the importance of not always saying what's on your mind, but having a filter in professional settings.

Artist Exhibit

Artist Exhibit by HACC Faculty Victor Capece

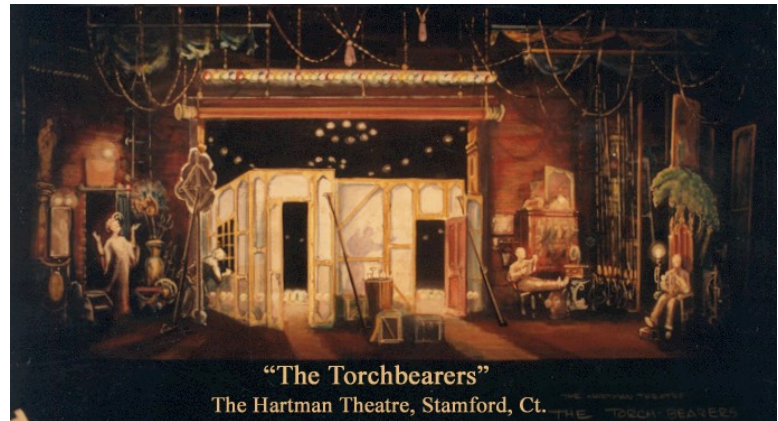

Art Exhibit - Backstage Glimpses

LANCASTER, Pa. – “*Backstage Glimpses*,” a collection of illustrations and sketches of stage and costume design by Lancaster artist Victor Capece will be on display Oct. 17 to Dec. 6, 2016, in the Art Space in the East Building of the Lancaster Campus of HACC, Central Pennsylvania’s Community College. Capece, a former adjunct professor of theatre at HACC’s Lancaster Campus, gave an informal talk during a reception on Oct. 20, 2016. The exhibit is free and open to the public.

Capece’s illustrations and sketches depict various elements of theatrical productions, including three-dimensional models of stage designs, which reflect his extensive career. He previously was a scenic artist and designer in New York City where he designed scenery and costumes for “L’Histoire du Soldat” for the New York City Opera. His design credits include work for the Alvin Ailey Dance Theatre, NBC’s “Saturday Night Live” and numerous productions both on and off Broadway.

Closer to home, Capece designed the setting for a production of “The Boyfriend,” a joint venture between Theatre Harrisburg and HACC’s Rose Lehrman Art Center. He previously was designer and technical director for Theatre Harrisburg at the Whitaker Center in Harrisburg and producing director of the American Music Theatre in Lancaster.

Capece is currently an associate professor and technical director of stage design and theatre management at Millersville University. He continues to contribute to student and professional performances.

Public Safety Update

HACC, Central Pennsylvania's Community College, is required by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 USC § 1092(f)) to publish an annual security report by Oct. 1 of each calendar year. This report contains three years of campus crime statistics for incidents that occurred on a campus, in unobstructed public areas immediately adjacent to or running through a campus and at certain non-campus facilities owned or controlled by HACC.

Also included in the report are policy and procedure disclosures for emergency response, the reporting of crime, investigative and disciplinary procedures for rape, sexual assault/misconduct and drug and alcohol control, among others.

This report is available on HACC's website at http://www.hacc.edu/AboutHACC/PublicSafetyandSecurity/upload/HACC_ASR.pdf. Free paper copies are available upon request at any campus Public Safety and Security Office or Welcome Center.

The Communications Hub: From Request to Success

The Office of College Advancement (OCA) team strives to create new ways to make YOUR marketing goals come to life. Through the **communications hub**, HACC employees are able to submit requests for various marketing materials, such as posters, fliers, postcards and news releases.

On Nov. 21, 2016, HACC will host a **fall 2016 Student Symposium** at the Midtown Trade and Technology Center. The event allows community members to explore topics covered in HACC trade and technology classrooms and gives students an opportunity to share their experiences with the community.

But did you know that marketing the event began with a communications hub request?

A College colleague submitted a communications hub request for the different materials needed to promote the event. The request included:

- Flier
- Posters

The colleague wanted to increase community and employee attendance. The colleague felt that the best way to reach the intended audience was to use fliers and posters to hang around campus and to hand out to those interested in attending.

Upon receipt of the communications hub request, the OCA team members completed the requested assignments by the deadlines. The ability to request communications allowed the colleague to create materials that will help publicize the event and help to increase attendance.

Should you have questions related to the communications hub, please email IMCprojects@hacc.edu. Thank you.
