

Health Science, Associate in Applied Science Degree # 3656 – 62 Credits FALL 2021

The program can be completed at the Harrisburg, Lancaster, Lebanon, Gettysburg and York campuses and online with careful course selection.

Health Science is a selective admission degree completion program **designed for actively credentialed or licensed health care professionals currently working in their fields**. Credential verification and employment verification letter are required. Qualified applicants will be awarded 30 credits toward the Health Science degree.

You may transfer a maximum of 15 credits from previous colleges. Submit official transcripts to the Records Office.

Students who are NOT actively credentialed health care professionals currently working in the field may be interested in the Health Care Management degree. Contact Steve Lustig, eslustig@hacc.edu, for healthcare management information or see an advisor.

**If you have specific questions about the Health Science program, contact:
Vicki Gentzel vgentze@hacc.edu (717) 780-1992 or 800-222-4222 extension 211992**

The following credentials have been approved for 30 credits. If you have another credential, contact Vicki.

Specialty	Credential
Activities Director	Activities Director Certified (ADC)
CVT	Registered Cardiac Sonographer (RCS)
CVT	Registered Cardiovascular Invasive Specialist (RCIS)
CVT	Registered Diagnostic Cardiac Sonographer (RDCS)
Coding	Certified Coding Specialist (CCS) (CCS-P) - (American Health Information Management Assn - AHIMA)
Coding	Certified Professional Coder (CPC, COC, CIC, CRC, CPC-P) (American Academy of Professional Coders - AAPC)

COMM 101 or 203	3	+ 9 cr from list below:		+ 9 cr from list below:	
Humanities/Arts elective (see below for list of courses)**	3	AH 213	3	HUMS 108	3
Social/Behavioral Science elective	3	MGMT 130	3	SOCI 201	3
Wellness	1	MGMT 203 or 204	3	SOCI 205	3
First Year Seminar (FYS) (awarded, not taken)	1	MGMT 226	3	PSYC 101	3
AH 210 Law & Ethics	3	MKTG 201	3	PSYC 213	3
Math 100 (or higher)	3			GERT 100	1
				GERT 101	1
				GERT 102	1
				GERT 103	1
* Students are awarded 30 credits (+ FYS) for credential & current employment	30			Any GERT course 201 or higher (may require prereq of GERT 100-103)	
		EFDA (Harrisburg) RESTRICTED ENTRY (see above)	12 Cred	Radiologic Imaging (Lancaster) (CT & MRI) RESTRICTED ENTRY (see above)	12 Cred
		DA 252	3	ANY RADT CLASSES 220 or above	12
		DA 253	3	(12 credits)	
		SOCI 201	3		
		NUTR 104	3		
7/1/21					

** Humanities/Arts Elective - Select one of the following: ART 181 or 182; ENGL 206; HUM 101, 115 or 201; MUS 104; PHIL 200; THTR 101; or a foreign language course. Highly recommend: SPAN 104

Complete program (Management/Marketing and Social Services options) offered available at all campuses and on-line. EFDA is only in Harrisburg and Radiologic Imaging is only in Lancaster (online, lab in Lancaster).

* 30 credits (plus FYS) are awarded for credential and current employment in a health field. Employment verification and credentials must be verified.

How it works:

- Apply to the college, listing Health Science (Pre-Health Science) as your major and select an option/concentration.
- Contact Vicki Gentzel, vlgentze@hacc.edu, 717-780-1992 to start the process (after applying to the college).
- Credential will be verified online.
- Employment verification – provide a letter from your employer (HR or supervisor) verifying current employment. It must be signed and on letterhead. It should be emailed to Vicki Gentzel – vlgentze@hacc.edu. If self-employed, signed and on your own letterhead stating self-employment.
- Paperwork processed for 30 (free) AH credits (and credit for FYS) to be used toward the Health Science degree.
 - 30 AH credits may or may not transfer to other schools. If you plan to continue for a bachelor's degree, contact school/s you plan to attend for guidance.
